SAILING INSTRUCTIONS

October 13-14, 2018

Organizing Authority (OA): Newport Harbor Yacht Club

1 GENERAL

- 1.1. US Sailing is the national authority of the venue. US national prescriptions can be downloaded from the [World Sailing website](#).
- 1.2. Newport Harbor Yacht Club is the Organizing Authority (OA).

2 RULES

- 2.1. The regatta will be governed by: The *rules* as defined by The Racing Rules of Sailing (RRS), the rules for handling boats (Addendum C, herein) which shall also apply to any practice sailing, Appendix D, and Appendix U.
- 2.2. The Harbor 20 Class rules will not apply.
- 2.3. As authorised by World Sailing in accordance with regulation 28.1.5(b), RRS 16.2 is changed to:
"In addition, a starboard-tack boat on a beat to windward shall not bear away to a course more than 90 degrees from the true wind if as a result the port-tack boat would immediately need to change course to keep clear of her."
Permission to use this rule has been granted by World Sailing.
When this rule applies the following changes to the Team Racing Call Book apply:
 - Call D2: Delete call
 - Call D5: In answer 1 delete all references to RRS 16.2 and delete the final paragraph in italics
 - Call G7: Delete Q&A 1
- 2.4. RRS 17 is deleted.
- 2.5. The US Sailing prescriptions to RRS 63.2 and 63.4 are deleted.
- 2.6. Where there is conflict between the rules in the notice of race, the sailing instructions, or any of the other documents that govern this event under item (g) of the definition Rule, the sailing instructions shall prevail. This changes RRS 63.7.
- 2.7. Breaches of sailing instructions which are annotated [NP] will not be grounds for a protest by a boat. This changes RRS 60.1(a). If the protest committee concludes that a boat has broken one of these rules, it may impose a penalty other than disqualification which may include, but is not limited to, a warning, deduction of race wins, the withholding of deposits, or the exclusion from further participation in the event. The penalty imposed by the protest committee in such case constitutes the "other penalty" in the first sentence of RRS 64.1.
- 2.8. Appendix D – Team Racing Rules is changed as follows:
 - 2.8.1. RRS D2 Umpired Races will apply.
 - 2.8.2. RRS D1.3 (a) (Penalties) first sentence is changed to: "When on a leg of the course to a windward *mark* or an offset *mark*, a boat may take a penalty by gybing, or when on a leg of the course to a leeward *mark* a boat may take a penalty by tacking when she may have broken one or more rules of Part 2, or rule 31 or 42, in an incident while racing. Between the preparatory signal and the starting signal the penalty shall be taken by gybing."
 - 2.8.3. RRS D2.2(f) (Protests by Boats) is amended as follows: "A boat penalized by an umpire shall take a One-Turn Penalty."
 - 2.8.4. RRS D2.3 (Penalties Initiated by an Umpire) is changed as follows:
 - 2.8.4.1. The last paragraph is deleted and replaced with: "The umpire shall signal a decision in compliance with rule D2.4. A boat penalized by an umpire shall take a One-Turn Penalty except that, when an umpire hails a number of turns, the boat shall take that number of One-Turn penalties."
 - 2.8.4.2. The umpires may decide that any contact is damage for the purposes of initiating a penalty under rule RRS 2.3(d).
 - 2.8.4.3. Add to RRS D2.3(d): "In addition, when there is damage, two race umpires together with another umpire may determine that a race-win penalty as prescribed in SI Addendum D is warranted for one or more boats without a protest hearing. The boat(s) that broke RRS 14 shall be informed as soon as practicable about the damage level and any penalty (or penalties) that will be imposed. Only at the time of being so informed may the boat request a hearing. If the boat requests a hearing, the umpires shall report the incident to the protest committee, which shall act under D3.1(d)(3) and may decide to impose a greater penalty. If no hearing is requested, the umpires shall impose the penalty (or

penalties) by reporting it to the race committee. RRS D2.7 applies to this decision. This changes RRS 64.1(b) and D3.1(d).

2.8.4.4. Add "(h) fails to comply with any 'Prohibited Items or Actions' in Addendum C".

2.8.4.5. Add, "The penalty given during a race for a breach of rule 42 or a 'Prohibited Item or Action' in Addendum C shall be a One-Turn Penalty."

2.8.5. RRS D5.3 and 5.4: Replace "race committee" with "protest committee" in both rules.

[NP] ADDENDUM C
Rules for Handling Boats

1 GENERAL

While all reasonable steps are taken to equalise the boats, variations will not be grounds for redress. This changes RRS 62.

2 PROHIBITED ITEMS and ACTIONS - Except in an emergency or in order to prevent damage or injury, or when directed by an umpire otherwise, the following are prohibited:

- 2.1 Any additions, omissions or alterations to the equipment supplied.
- 2.2 The use of any equipment for a purpose other than that intended or specifically permitted.
- 2.3 The replacement of any equipment without the permission of the RC.
- 2.4 Sailing the boat in a manner that it is reasonable to predict that significant further damage would result.
- 2.5 Moving equipment from its normal stowage position except when being used.
- 2.6 Changing the number of mainsheet purchases.
- 2.7 Hiking: Skipper and crew shall keep their body including arms and legs within of the confines (inside the vertical plane) of the cockpit, and shall not place their feet or knees on the seats or seat cushions to facilitate leaning over the coaming at any time while racing, with three permitted exceptions; (1) leaning over the cockpit coaming briefly to pull the jib boom across while gybing, (2) resting feet on the leeward cushions while sitting, and (3) resting arms on the coaming or deck. The intention of this rule is to restrict hiking and roll tacking/gybing.
- 2.8 Competitors shall not reef main sails. When reefing is required it will be done by a member of the Pit Crew, however competitors may shake out the reef if signaled.
- 2.9 Taking a boat from its berth without having paid the required damage deposit or having permission from the RC, or, on race days, while 'AP' is displayed ashore.
- 2.10 Perforating sails, even to attach tell tales.
- 2.11 Adjusting or altering the tension of standing rigging, excluding the backstay.
- 2.12 Use of any tape that leaves a residue/ use of duct tape.

3 PERMITTED ITEMS and ACTIONS – the following are permitted:

- 3.1 Taking on board the following equipment:
 - (a) tell-tale material
 - (b) watch, timers, and hand-held compass
 - (c) red flags
 - (d) PFD's
- 3.2 Using the items in 3.1 to:
 - (a) make signals as per D2.5
 - (b) personal safety
- 3.3 Adjust the jib cunningham or jib halyard

4 MANDATORY ITEMS and ACTIONS –

- 4.1 At the end of each sailing day the following are required:
 - (a) Main sail neatly flaked and secured to the boom
 - (b) Jib furled
 - (c) releasing backstay tension
 - (d) stow cushions in forward cabin
 - (e) remove all trash
- 4.2 Any request to alter, in any way, the equipment on a boat shall be in writing and worded to permit a yes/no answer.

ADDENDUM D

Penalties for damage resulting from contact between boats racing

The umpires may impose a penalty for breaking RRS 14 without a protest hearing, unless a boat involved in the incident boat requests a hearing, in which case the umpires shall report the incident to the Protest Committee. If it has good reasons to do so, the Protest Committee may impose a greater penalty than what the umpires determined was appropriate. This addendum explains how damage will be assessed and prescribes the appropriate penalty level. There are a number of things we are trying to achieve with damage penalties:

- Minimize damage to keep costs down and avoid delays while boats are repaired.
- Ensure that penalties fit the breach and are consistent.

Damage Levels

Level	Extent	Effect
Level A Minor Damage	Does not significantly affect the value, general appearance or normal operation of the boat.	Boat may race without repair although some minor surface work may be required after the event. Repairs should not normally require more than 1 hour of work.
Level B Damage	Affects the value and/or general appearance of the boat.	The damage does not affect the normal operation of the boat in that race but may need some (temporary) work before racing again. Requires more than 1 hour of work but should not normally require more than 3 hours of work.
Level C Major Damage	The normal operation of the boat is compromised and its structural integrity may be impaired.	The boat will need some repair work before racing again. Requires more than 3 hours of work.

Penalties

Race-win penalties may be imposed by umpires after a race to boats that break RRS 14. Any penalties are deducted from one boat's or both boats' team's total race wins for the round-robin or knock-out stage in which the damage occurred. In the event that both boats are given the same penalty in a race during a knock-out stage, the penalties are offsetting and will be disregarded for scoring purposes.

Race-Win Penalties: to be applied without a hearing

Damage Level	Round-Robin	Knock Out Match
Level A	No penalty	No penalty
Level B	1/2 race win	3/4 race win
Level C	1 race win	1 race win

Deductions from Damage Deposits

Any deductions from damage deposits are a matter for the Organizing Authority and are not related to and do not affect any race win penalties imposed by the Umpires or Protest Committee.

ADDENDUM E Format
