

LONG POINT RACE WEEK

AUGUST 28-30, 2020

Balboa Yacht Club and **Newport Harbor Yacht Club** jointly organize **Long Point Race Week** and are looking forward to the 2020 edition with publication of the Notice of Race (NOR). The Coronavirus has caused many changes in our lives, including our sailing. Rules, regulations, medical guidance and best practices are evolving and changing weekly; with luck they will evolve in a way that allows the clubs to conduct the regatta.

The event, particularly the shore side, may be different from past years. Unfortunately, as organizers, we don't yet know details of shore side activities, meal packages, etc. They will emerge as the clubs get back towards regular operation and we will keep you informed. Potential competitors should know and understand that BYC & NHYC may modify and amend the Notice of Race (NOR) to meet evolving laws, rules, regulations, medical and US Sailing guidance. We hope to see you for a fun and safe event in August.
